Navigator 905BT

Flying Scroll Bluetooth Mouse

The Bluetooth notebook mouse *Navigator 905BT* from Genius is a fast-tracking, high-resolution trendy notebook mouse that gives you comfort, accuracy and convenience in an advanced Bluetooth mouse.

Free up your USB port for other USB devices, *Navigator 905BT* connects instantly to a notebook that is Bluetooth enabled. The Bluetooth EDR 2.0 gives you up to 10 meters working range and 1600 dpi resolution for accurate cursor tracking and speed. Plus the Genius innovative 'Flying Scroll' technology lets you experience fun in scrolling web pages or documents in eight directions the minute you move the mouse with using the scroll wheel. And when you're taking your notebook to office meetings, just attach *Navigator 905BT* with the Stick-N-Go mounts to bring it along. And there is a Norton Symantec 60 day free trial version included in the CD driver to prevent your PC from virus attack and firewall breach.

The *Navigator 905BT* is available in two colors: royal ruby and cold silver. For more information, contact your sales preventatives.
